WELL-AGING & BEAUTY

75% of Silver generation feel in a better mood after a beauty break
(IFOP, 2016)

MY MOMENT is a milky face serum sublimating skin and emotions, dedicated to women of **Silver generation** or from the age of 50, **for an assumed age and a sublimated beauty**. Day after day, thanks to an **active ingredient from advanced biotechnologies** targeting the root causes of skin aging⁽¹⁾, this serum **beautifies skin and boosts self-esteem and positive emotions**. A **chrono-detox active ingredient⁽²⁾**, from **Green Chiretta** well-known in Ayurveda, rebalances skin natural circadian rhythm and stimulates oxytocin and endorphin signaling pathways, for a **serene skin**, in tune with its time. The slightly emulsified formula rich in mucilage from organic & fair-trade aloe vera⁽³⁾ allows self-face massage or massage with Gua Sha or facial roller. For a **relaxing break**, a moment just for yourself.
